## A 55-Year Journey of Sweet Success, Making Moments Sweeter Since 1967

The history of Mulberry spans over 55 years of success and development, marking a proud legacy and benchmark in the modern world.

The journey began in 1967 when Late Mr. Shankar Lal Bachani founded Regal Bakery, a landmark in the confectionery business. His son, Mr. Prakash Bachani, carried the vision forward with innovation, establishing Mulberry Foods. Later, Mr. Prakash Bachani and Mrs. Jyoti Bachani set up Mulberry United Pvt. Ltd., introducing modern European technology to the bakery sector. Today, Mulberry is a trusted brand known for its taste, quality, and consistent excellence.

Expanding its footprint, Mulberry now serves Pan India across General Trade, Modern Trade, CPC & Railways, along with international markets such as the Far East. It proudly partners as a licensee of Cartoon Network and co-packers for leading groups like Unibic, Mario, Swiggy, Kanha, Muskan, TGB, Bans, Agrawal. The brand's presence in Dubai, Bahrain, and the rest of the Gulf market stands as a mark of privilege.

With passion and innovation, Mulberry continues its journey of growth and success.

# THE TASTE OF TRUST

---

## Our Promise to You

For over five decades, Mulberry has believed that true indulgence comes with uncompromised quality. Whether it's our signature chocolates or our much-loved bakery creations, every product is crafted to deliver not just flavor, but also the assurance of safety, consistency, and excellence.

## How We Safeguard Quality

To uphold this promise, we follow a meticulous three-step quality process:

- **Source Checks** – Selecting and verifying only the finest ingredients before they enter our kitchens.
- **Process Monitoring** – Keeping a close watch at every stage of production to ensure uniform taste and texture.
- **Final Assurance** – Rigorously checking every batch before it leaves our facility, so you receive only the best.

## A Hygienic & Modern Factory

Our facilities are designed to meet international hygiene and safety standards. With advanced technology and carefully maintained processes, we create a clean, safe environment where every product is handled with care, precision, and passion. This is how Mulberry ensures that every bite you enjoy carries the legacy of trust we've built over generations.
